BENEFITS OF FINANCIAL PLANNING AT AMBD FAIR

For Immediate Release

May 22, 2016 - BIBD Securities (BIBDS) today participated in AMBD's Financial Fun Fair held at the Jerudong Park Playground. Their participation sought to provide the public with a better understanding of their financial health, matching it with the appropriate financial solutions.

To further elevate the understanding of better financial planning, especially among the youth, BIBDS had planned educational activities. In addition, the public also had the opportunity to learn about the wealth management products currently offered by BIBDS.

BIBDS Managing Director Haji Minorhadi Haji Mirhassan commented, "We would like to take this opportunity to thank our regulators AMBD for providing us with a platform to reach out to the public. We will be utilising this benefit to ensure that we support the initiatives set out so that the public has a better understanding of their financial capabilities, at the same time plan for a better future. I am also thankful for the opportunity to educate the youth on the importance of a healthy savings culture that will only stand to benefit Brunei for generations to come."

The fair is part of the activities leading up to AMBD's National Savings Day on the 28th of May which is aimed to promote a savings culture and prudent money management; directly enhancing the financial literacy in Brunei, especially with the increased awareness of financial products and services available in Brunei.
