

BIBD ALAF REACHES ANOTHER MILESTONE WITH LAUNCH OF ALAF LIBRARY

FOR IMMEDIATE RELEASE

April 28th, 2017 - BIBD today launched a dedicated library to further support the development of underprivileged students under its ALAF Programme. With this, members of the public are also encouraged to contribute to the continued success of the library, at the same time the ALAF Programme, by donating new or even their own books.

This launch is in line with its commitment towards ensuring that the students have more resources along with a dedicated platform to revise their studies outside their school environment. The library also serves as a place where BIBD ALAF students can converge among themselves, allowing them to build better relationship among themselves. Also during the launch and in support towards the ALAF Programme, Kenwood Furniture Trading Company provided a donation of almost ten thousand dollars to BIBD ALAF.

About The ALAF Programme

The BIBD ALAF (Advocating Life-Long Learning for An Aspiring Future) programme currently supports the development of more than one hundred and forty students. The programme is kept sustainable by collaborated efforts from both public and private efforts which include BIBD's own charity expeditions for ALAF, generous contributions from corporate agencies as well as the general public.

The ALAF Programme, launched in May 2013 by Her Royal Highness Paduka Seri Pengiran Anak Isteri Pengiran Anak Sarah, was developed in close partnership with the Department of Schools, Ministry of Education, and in 2015 a Memorandum of Understanding was also signed with the Islamic Studies Department from the Ministry of Religious Affairs. This will lead to constant efforts and close collaboration between all parties to ensure the successful implementation and provision of assistance to the ALAF Programme.

The ALAF Programme provides the selected students with provisions for school and tuition fees, educational materials and welfare, as well as mentoring and counselling necessities amongst others. All these efforts are meant to ensure

the absolute commitment of these students towards the development of their education, and prevent them from being bothered by other commitments. The ALAF Programme will also continue to provide support and assistance to these students until the end of their respective educational requirements.

Through the ALAF Programme, BIBD hopes to align its support to His Majesty's 2035 vision of obtaining a 100% level of education for everyone, directly having an impact on reducing poverty. In Shaa Allah, this will lead Brunei towards a more prosperous and peaceful future, making Brunei populated with educated, highly skilful and successful individuals, in line with internationally set standards.

How can the public support the ALAF Programme

Members of the public wishing to contribute into the BIBD ALAF Programme fund may do so with a minimum donation of B\$1.01 into the BIBD ALAF account at 1018181811 via BIBD channels such as the BIBD Online website, BIBD Mobile app, BIBD ATM and CDMs, and BIBD branch counters.
