

Please read this Product Disclosure Sheet before you decide to take the Easy Saver Account. Be sure also to read the General Wakalah Terms and Conditions of Deposit Products.

EASY SAVER**1. What is this product about?**

- Easy Saver is a complementary Savings Account which makes managing your money online so much easier
- This account is for those who have excess funds in their general account for short period and wants to get the most out of the funds
- This deposit is guaranteed protection up to the maximum of BND 50,000.00 per depositor under the Deposit Protection Order 2010

2. What is the Shariah concept applicable?

- The Shariah concept applicable is *Wakalah*
- The Depositor (“*Muwakki*”) enters into a *Wakalah* Agreement with the Bank (“*Waki*”) and deposits a certain amount of money to the Bank to be utilized and invested in profitable Shariah-compliant transactions
- Depositor will be offered the expected profit rate from the investments and the Bank will earn a *Wakalah* fee for the service rendered. However, in this case the *Wakalah fee* is waived
- Any amount that the Bank earns in excess of the Depositor’s expected profit (after deducting the *Wakalah* fee) will be retained by the Bank as incentive

3. What do I get from this product?

- Minimum opening deposit of BND 500.00
- Minimum balance to be maintained in the account of BND 1,000.00
- Opportunity to earn higher monthly profit
- Online registration
- Online transfer for deposit and withdrawal transaction

4. What are the other key terms and conditions of this product that I should know?

- Must be an account holder to open this account
- Any withdrawal within the month shall not be entitled for any profit for the month
- In other words, if you make any withdrawal (even once) in a month, you will not be entitled to the month’s profit
- You can earn the profit for the next consecutive months if you do not make any withdrawals

5. What are the fees and charges I have to pay?

- Customers of this account will be subject to the fees and charges for Savings Account as per prevailing Schedule of Tariffs

6. What are the risks involved?

- The actual profit may only be determined at the end of the month depending on the return on investment

- You are advised to carefully consider all risk factors before opening the account

7. What do I need to do if there are changes to my contact details?

- It is important for you to inform us on any changes to your contact details to ensure all correspondences reach you in a timely manner
